<u>One liner:</u>  Zone ball hawk	<u>Awards:</u>  2023 ELF DPOTY X1 ELF All-Star 2023 ELF Interceptions Leader 2022 CFL Global Draftee	<u>Evaluation:</u>  Beard has excellent length and size at the Cornerback position. He possesses big-play ability due to his catch radius and skill in high-pointing the ball. In his positioning, he is not limited to Corner but has flexed out to play as a Safety and linebacker in both box and coverage schemes. His body control, hand-eye coordination, and footwork discipline are at a high level. The tackling ability isn't anything above average; the angles of approach would need further coaching. In coverage, his hips can be stiff, which does not position him as a man-to-man specialist.
<u>Role:</u>  Passing situation defensive back in a zone scheme.	<u>Measurables:</u>  <u>Height:</u> 6'2.5  <u>Weight:</u> 203lbs	<u>Combine numbers:</u>
